All LGBTQ+ women and women-aligned youth are invited to this discussion group. Topics range from family to school to like/lust/love relationships. Join us in this safe space to discuss how smart, strong, and courageous young women and women-aligned youth are living and experiencing life.

Violets were a code between lesbian and bisexual women inspired by Sappho's poems in which her lover wore garlands or a crown of violets.

Respect for others' personal experiences,
ideas, and privacy is required.
